Dillon Surgery Center

Dillon Health Center: 365 Dillon Ridge Road, Dillon, CO 80435

This is a different location than where you saw Dr. Sachar in Clinic

Check In Time: TBD

A member of our team will call you **between 1:00-5:00pm the day before your surgery** to give your check-in time for surgery. Most patients will check in between 6:00 AM and 1:00 PM. You may contact Carmen to provide a preference of check in. This is not a guaranteed but we do take travel time into consideration.

No food within 8 hours of your check in time. Clear liquids up to 3 hours are acceptable (including water, Gatorade, or black coffee). Gum, candy, or chewing tobacco may NOT be consumed for 3 hours prior to surgery check in time.

Pre-Surgery Steps (4 To Do's)

1. Pre-Op Hygiene	Shower or bathe 4 times with CHG 4% liquid soap (hibiclens) prior to surgery. See packet for detailed directions.
2. Register Online	Complete online registration (Simple Admit) for the facility prior to surgery. Link in surgical confirmation email & above QR Code. See page 3 of packet for directions.
3. Transportation	You must have a driver to take you home, even if you only have local anesthesia . If you need help with a ride, please call 970-479-5898 to speak with Concierge.
4. Medications	Certain medications should be stopped prior to surgery. Please call Jonathan at 970-485-0494 with medication questions.

Checklist of Pre-Surgical Tasks to Complete Prior to Surgery

- Ride Coordination:** After surgery, patients must be discharged to a responsible party following their procedure – be sure you have arranged a ride home by a responsible adult; **you cannot drive yourself home from surgery.**
- Register Online:** See the next page of this packet for how to register with the facility online ahead with Siple Admit. Please assure you complete Simple Admit for facility or call Pre-Op Nurse (970-470-7170) to go over your personal health information.
- Rescheduling:** If you need to reschedule for any reason, please contact Carmen at 970-479-5853.

Optional/If Applicable

- Documentation (FMLA):** If you need a letter from your doctor for work or school purposes, please let us know as soon as possible. Please email those forms to teamsachar@thesteadmanclinic.com
- Post-Op Therapy:** Therapy may be recommended for your procedure. Please assure this has been coordinated prior to the day of surgery. Please contact our team if you need a therapy practice recommendation in your area.
- Call Insurance:** Our insurance team will assure any prior authorization is obtained prior to your surgery and confirm network participation. If you'd like to confirm on your own, we always recommend to call on your policy.
- Pre-Op Medical Clearance:** You will be notified by our team if a pre-operative medical clearance is required for your surgical procedure. Pre-ops are customarily completed by your Primary Care Physician. They must be completed within 30 days of your surgical procedure. RESULTS MUST BE FAXED TO OUR OFFICE AT: (970) 458-4585. If these results are not received by our team within 4 business days prior to your surgery, we will reschedule your procedure.
- Travel Plans:** Surgery is an all-day event so please plan accordingly. If you have a morning surgery scheduled, you might want to consider a hotel room in the Vail/Edwards area the night before surgery to avoid any travel stress the morning of surgery. We have a Concierge Team that can assist with these arrangements; their number is (970) 479-5898 or email at concierge@thesteadmanclinic.com

Dillon Surgery Center offers patients the convenience and privacy of a secure, online registration process. If you are a new patient to our center, please go online today to complete your registration using the login information below. You will be asked about your health history, medications, and previous surgeries. If you are a returning patient, please update your online form. It's important to complete or update your online registration as soon as possible so that your medical team will have time to review your information prior to your visit. We will call you if we have any questions or concerns. We look forward to seeing you soon!

New Patients

1. Go online to:
www.simpleadmit.com
2. Go to: "Patients Start Here."
3. Enter the following password:
DILLON970

Date - _____

Procedure - _____

Surgeon - _____

Please complete your online questionnaire as soon as possible. A nurse will call you if necessary.

Returning Patients

If you received an email with login instructions:

1. Click the web page link in the email. You will be redirected to a login page.
2. At the login page, your **Access Token** will be entered automatically.
3. Enter your date of birth using the "**MM/DD/YYYY**" format.
4. After entering your Date of Birth, click "**Resume**." You can then review and modify your most recent health history form by clicking "**Resume Questionnaire**." If the form is in a read-only status, click on the "**copy form**" button to update your new procedure information and health history.

If you printed or saved your login instructions:

1. Go online to: dillonsurgerycenter.simpleadmit.com
2. Follow the link: "**Patients Start Here**."
3. Enter your secure **Access Token** that you saved or printed.
4. Enter your date of birth using the "**MM/DD/YYYY**" format.
5. After entering your Access Token and Date of Birth, click "**Resume**". You can then review and modify your most recent health history form.

**Please note, you would only have the Access Token if you have previously completed the online pre-admission form and either printed or saved your Access Token or entered your e-mail address requesting that the token be emailed to you. The token is sent to the e-mail address you provided. If you no longer have your Access Token, please contact Simple Admit at (877) 848-4726.*

Pre-Surgical Planning – Infection Prevention

**DILLON
SURGERY
CENTER**

Thank you for choosing Dillon Surgery Center for your care. We are committed to your well-being. With all surgeries, there is a small risk of infection. We have a very low surgical site infection rate and work very hard to prevent infections. We want you to get involved and play a role in your health. Because skin is not sterile, we would like to reduce the number of those germs on your skin and decrease the risk of a surgical site infection by having you start a special skin cleanser before your surgery.

Getting Your Skin Ready for Surgery

Chlorhexidine Gluconate (CHG) 4% is a special chemical found in soaps such as Hibiclens and other brands of soap that are antimicrobial soaps used prior to surgery. Everyone's skin has germs; this soap can reduce the number of germs on your skin and help to prepare your skin for surgery. You can obtain this soap at any over the counter pharmacy such as Walgreens, City market, Wal-Mart etc.

Follow these instructions to reduce your risk of infection:

Shower or bathe one-time-a-day for 3 days prior to surgery with CHG 4% liquid soap AND the morning of surgery making a total of 4 showers:

Step 1: Wash your hair, face, and body with your normal soap, shampoo, and conditioner. Rinse completely.

Step 2: Turn off the shower or step out of the bathwater.

Step 3: Pour 1 oz. of liquid CHG soap onto a wet, clean washcloth and wash your entire body, avoiding the neck up and pubic region. Do not use CHG on hair, face or pubic region.

Step 4: Rub the soap filled washcloth over your entire body for 3 minutes, again avoiding the neck up and pubic region.

Step 5: Turn on the shower or return to the bath and rinse the liquid CHG soap off your body.

Step 6: Towel Dry.

Shower 1

Shower 2

Shower 3

Shower 4

- You may apply skin lotion after your shower only on the 3 days prior to your surgery, NOT the morning of your surgery.
- On the morning of your surgery, DO NOT apply lotion, powder, oils, make up, perfume or aftershave.
 - DO NOT shave or remove body hair below the neck for 1 week prior to surgery.

Facial shaving, facial lotion and chap stick are permitted the morning of your surgery.

If you are allergic to CHG or unable to get soap, substitute an antibacterial soap (ex. Dial Gold) instead.

STOP using the soap and call your doctor if you have a reaction such as redness, itching, rash, blistering etc.

Medication Reference Sheet

For any medication questions, please contact Jonathan Desillier, PA at 970-485-0494

Medications that should be DISCONTINUED prior to surgery:

- **Birth control pills, estrogen or progesterone compounds**
- **Steroids:** prednisone, etc.
 - **Suboxone, Subtex, Lithium, MAOIs, prescription weight loss medications**

Insurance Reference Sheet

For any insurance questions, please contact Carmen Moscarillo at 970-479-5853 or call 970-476-1100 and ask to speak with the Insurance Specialist for Dr. Sachar

Prior to surgery, our insurance department will call your insurance company for a prior authorization, which may or may not be required by your plan. Please note: **A PRIOR AUTHORIZATION IS NOT A GUARANTEE OF PAYMENT.** Final determination of benefits will be made at claims submission and is based on medical necessity and the policies of your plan. If your insurance does not cover your surgery, either in full or in part, any remaining balances become the patient's responsibility. Additionally, you may be required to sign a waiver and pay for procedures commonly not covered by insurance.

It is The Steadman Clinic's policy to collect on any: past due balance/ deductibles/ co-insurances/ out of pocket monies prior to your scheduled surgery. Either an insurance specialist or practice coordinator from our team will call you for your payment.

Due to the ever-changing insurance industry and the multiple plans offered by each insurance carrier, it is best that you confirm The Steadman Clinic's participation by calling your insurance company. Please provide them with the below information.
