## Patient Pre-Surgical Planning Packet

### Scan this QR Code

to save our contact information & complete pre-surgery directions for easy access.

Go to [kavisacharmd.com](http://kavisacharmd.com) if you lose these directions are unsure of next steps.

### Vail Valley Surgery Center, Vail

181 W. Meadow Drive Vail, CO 81657

\*This is a different location than where you saw Dr. Sachar in Clinic\*

### Check In Time: TBD

A member of our team will call you **between 1:00-5:00pm the day before your surgery** to give your check-in time for surgery. Most patients will check in between 6:00 AM and 1:00 PM. You may contact Carmen to provide a preference of check in. This is not a guaranteed but we do take travel time into consideration.

**No food within 8 hours of your check in time. Clear liquids up to 3 hours are acceptable** (including water, Gatorade, or black coffee). Gum, candy, or chewing tobacco may NOT be consumed for 3 hours prior to surgery check in time.

### Pre-Surgery Steps (4 To Do's)

<b>1. Pre-Op Hygiene</b>	Shower or bathe 4 times with CHG 4% liquid soap (hibiclens) prior to surgery. See packet for detailed directions.
<b>2. Register Online</b>	Complete online registration (One Medical Passport) for the facility prior to surgery. Link in surgical confirmation email & above QR Code. See page 3 of packet for directions.
<b>3. Transportation</b>	You <b>must</b> have a driver to take you home, <b>even if you only have local anesthesia</b> . If you need help with a ride, please call 970-479-5898 to speak with Concierge.
<b>4. Medications</b>	Certain medications should be stopped prior to surgery. Please call Jonathan at 970-485-0494 with medication questions.

## **Checklist of Pre-Surgical Tasks to Complete Prior to Surgery**

- Ride Coordination:** After surgery, patients must be discharged to a responsible party following their procedure – be sure you have arranged a ride home by a responsible adult; **you cannot drive yourself home from surgery.**
- Register Online:** See next page of this packet for how to register with the facility online ahead with One Medical Passport. Please assure you complete One Medical Passport for facility or call Pre-Op Nurse (970-476-8872) to go over your personal health information.
- Rescheduling:** If you need to reschedule for any reason, please contact Carmen at 970-479-5853.

### **Optional/If Applicable**

- Documentation (FMLA):** If you need a letter from your doctor for work or school purposes, please let us know as soon as possible. Please email those forms to [teamsachar@thesteadmanclinic.com](mailto:teamsachar@thesteadmanclinic.com)
- Post-Op Therapy:** Therapy may be recommended for your procedure. Please assure this has been coordinated prior to the day of surgery. Please contact our team if you need a therapy practice recommendation in your area.
- Call Insurance:** Our insurance team will assure any prior authorization is obtained prior to your surgery and confirm network participation. If you'd like to confirm on your own, we always recommend to call on your policy.
- Pre-Op Medical Clearance:** You will be notified by our team if a pre-operative medical clearance is required for your surgical procedure. Pre-ops are customarily completed by your Primary Care Physician. They must be completed within 30 days of your surgical procedure. RESULTS MUST BE FAXED TO OUR OFFICE AT: (970) 458-4585. If these results are not received by our team within 4 business days prior to your surgery, we will reschedule your procedure.
- Travel Plans:** Surgery is an all-day event so please plan accordingly. If you have a morning surgery scheduled, you might want to consider a hotel room in the Vail/Edwards area the night before surgery to avoid any travel stress the morning of surgery. We have a Concierge Team that can assist with these arrangements; their number is (970) 479-5898 or email at [concierge@thesteadmanclinic.com](mailto:concierge@thesteadmanclinic.com)

## **Registration- One Medical Passport**

Vail Valley Surgery Center requests that you fill out your registration and medical history online with One Medical Passport as soon as your procedure has been scheduled. This process will help expedite your admission, additionally our Pre-Anesthesia Testing nurse will be able to access the information you entered and help prepare you for your procedure.

Be sure to have the following information available before starting your Medical Passport:

- Your health insurance information.
- The name address and phone numbers of your physicians.
- A list of all medications you are taking, their dosage and frequency.
- A list of surgical procedures you have ever had and their approximate dates.

To begin your online Medical Passport,

- 1) Go to our website: <http://www.vailvalleysurgerycenter.com>
- 2) Click the "Patients" link on our home page
- 3) Click the "Vail Medical Passport" link
- 4) Check the box to accept the [Terms of Use](#) and click "Register for a Medical Passport"
- 5) Complete the registration and medical history screens, click Finish to submit your Medical Passport to our facility. If you need help with this process, please use the Help link on the left side of the screens.

**Note: If you are unable to complete your history online, please call our Pre-op nurse between 10:00 and 4:00 at 970-569-7400 as soon as possible to complete your health history. You will still need to have the above information available when you call. Please allow 20-30 minutes for this call.**

### **Returning Surgical Patients to VVSCV**

If you have already registered you may go directly to [www.onemedicalpassport.com](http://www.onemedicalpassport.com)

In the lower left corner of the screen ("Already Have a Medical Passport?"), enter the username and password you created when you registered and click 'go'. Select the 'Medical Facility and Physician' option and click 'Next'. Select the State and Medical facility. Your previous medical history will populate the form. If you do not see the option you are looking for, or are having problems, please click the Help link on the left.

## Pre-Surgical Planning – Infection Prevention

Thank you for choosing Vail Valley Surgical Center for your care. We are committed to your well-being. With all surgeries, there is a small risk of infection. We have a very low surgical site infection rate and work very hard to prevent infections. We want you to get involved and play a role in your health. Because skin is not sterile, we would like to reduce the number of those germs on your skin and decrease the risk of a surgical site infection by having you start a special skin cleanser before your surgery.

### Getting Your Skin Ready for Surgery

Chlorhexidine Gluconate (CHG) 4% is a special chemical found in soaps such as Hibiclens and other brands of soap that are antimicrobial soaps used prior to surgery. Everyone's skin has germs; this soap can reduce the number of germs on your skin and help to prepare your skin for surgery. You can obtain this soap at any over the counter pharmacy such as Walgreens, City market, Wal-Mart etc.

#### **Follow these instructions to reduce your risk of infection:**

Shower or bathe one-time-a-day for 3 days prior to surgery with CHG 4% liquid soap AND the morning of surgery making a total of 4 showers:

**Step 1:** Wash your hair, face, and body with your normal soap, shampoo, and conditioner. Rinse completely.

**Step 2:** Turn off the shower or step out of the bathwater.

**Step 3:** Pour 1 oz. of liquid CHG soap onto a wet, clean washcloth and wash your entire body, avoiding the neck up and pubic region. Do not use CHG on hair, face or pubic region.

**Step 4:** Rub the soap filled washcloth over your entire body for 3 minutes, again avoiding the neck up and pubic region.

**Step 5:** Turn on the shower or return to the bath and rinse the liquid CHG soap off your body.

**Step 6:** Towel Dry.

**Shower 1**

**Shower 2**

**Shower 3**

**Shower 4**

- You may apply skin lotion after your shower only on the 3 days prior to your surgery, NOT the morning of your surgery.
- On the morning of your surgery, DO NOT apply lotion, powder, oils, make up, perfume or aftershave.
  - DO NOT shave or remove body hair below the neck for 1 week prior to surgery.

Facial shaving, facial lotion and chap stick are permitted the morning of your surgery.

If you are allergic to CHG or unable to get soap, substitute an antibacterial soap (ex. Dial Gold) instead.

STOP using the soap and call your doctor if you have a reaction such as redness, itching, rash, blistering etc.

## **Medication Reference Sheet**

For any medication questions, please contact Jonathan Desillier, PA at 970-485-0494

### **Medications that should be DISCONTINUED prior to surgery:**

- **Birth control pills, estrogen or progesterone compounds**
- **Steroids:** prednisone, etc.
  - **Suboxone, Subtex, Lithium, MAOIs, prescription weight loss medications**

## **Insurance Reference Sheet**

For any insurance questions, please contact Carmen Moscarillo at 970-479-5853 or call 970-476-1100 and ask to speak with the Insurance Specialist for Dr. Sachar

Prior to surgery, our insurance department will call your insurance company for a prior authorization, which may or may not be required by your plan. Please note: **A PRIOR AUTHORIZATION IS NOT A GUARANTEE OF PAYMENT.** Final determination of benefits will be made at claims submission and is based on medical necessity and the policies of your plan. If your insurance does not cover your surgery, either in full or in part, any remaining balances become the patient's responsibility. Additionally, you may be required to sign a waiver and pay for procedures commonly not covered by insurance.

It is The Steadman Clinic's policy to collect on any: past due balance/ deductibles/ co-insurances/ out of pocket monies prior to your scheduled surgery. Either an insurance specialist or practice coordinator from our team will call you for your payment.

Due to the ever-changing insurance industry and the multiple plans offered by each insurance carrier, it is best that you confirm The Steadman Clinic's participation by calling your insurance company. Please provide them with the below information.
